Pyatigorsk State University

Institute of the International Service, Tourism and Foreign Languages

Faculty of the English and Romance Languages

Chair of the Theoretical Linguistics and Practice of Intercultural Communication

Author: Tebloeva Natalia Chermenovna

Thesis supervisor: Candidate of Pedagogics, Chmyreva E.V.

Main parts: Contents, Introduction, two Chapters, Conclusion, Bibliography.

Keywords: concept, idiom, phraseological units, proverb, English and Spanish languages.

Topic of the Graduate Qualifying Thesis: Verbalization of concepts «Work» and «Rest» in the English and Spanish languages (on the material of phraseological dictionaries)

Abstract: The object of the research are phraseological units and proverbs, representing concepts «Work» and «Rest» in English and Spanish languages.

The aim of the study consists in identification and comparison of concepts «Work» and «Rest» in English and Spanish languages on the basis of materials of phraseological dictionaries.

The practical value is determined by the fact that the results gained during the study can be used for further studying of lexical material of the English and Spanish languages, also for developing courses on stylistics of the English and Spanish languages, for writing term papers (courseworks) and graduation works.
