Дорджиев Олег Алексеевич | 45.03.02 – Лингвистика (Профиль: Перевод и переводоведение) | 2015 | Кафедра теории и практики перевода | доктор филол. наук, профессор Локтионова В.Г.

Тема: БЛОГИ НА АНГЛИЙСКОМ ЯЗЫКЕ КАК ОБЪЕКТ ЛИНГВИСТИЧЕСКОГО АНАЛИЗА

ABSTRACT

**Subject matter:** Blogs in English as an Object of Linguistic Analysis.

**Author:** Oleg A. Dordzhiyev, 4th year student, Institute of Translatology and Multilanguage Studies.

**Supervisor of the project:** V. G. Loktionova, Professor of the Chair of Theory and Practice of Translation and Interpretation.

**Information about the sponsor organization:** Pyatigorsk State Linguistic University; 9 Kalinin St., Pyatigorsk, Stavropol krai.

**Research relevance:** blogs can give a person a lot of useful knowledge. Since a huge number of blogs written in English, it would be logical to teach people to translate English language blogs

**Purpose:** to create a dictionary - manuals, with which people can translate English language blogs, as soon as possible.

**Tasks:** to understand the essence of blogs, to describe their varieties with the purpose to familiarize the reader with the subject of the study. Then, to create a glossary, which indicate the words are often used in blogs, give a few techniques you can follow to translate the blog quickly, give some examples of the translation of blogs, to sum information up.

**Theoretical and practical significance:** analyzing the problem of blog translation, find a possible way to solve it quickly. Also, the introduction of new methods, that improve the efficiency of translation of English-language blogs.

**Results of the research:** the invented dictionary – manuals and methods will allow people to translate English-language blogs and internet sites at all, by using words from glossary, indicated in this work and, perhaps, by using words and phrases from 'computer slang' and 'network jargon'.
