Graduation Level of Proficiency Paper
Bachelor’s Degree
Speciality: 45.03.02 “Linguistics”

Title: “Linguistic Peculiarities of Contemporary English Business Agreements as a Means of Communication”

Author: Galstyan Vardan Artavazdovich

Research Supervisors: Ph.D. in Philological Sciences, Associate Professor of the Department of Theoretical Linguistics and Practice of Intercultural Communication L.G. Davydenko

Research Initiators: Department of Theoretical Linguistics and Practice of Intercultural Communication of Institute of International Service, Tourism and Foreign Languages

Topical Importance: is determined by the role that business communication plays in the current period of universal changers.

Goals: systematic study of the linguistic characteristics of contemporary English business agreements as a means of communication based on authentic business agreements made by native speakers, taking into account the specific features of cross-cultural communication.

Tasks: The main tasks are:

- to identify the architectonic features of the texts of business arrangements;
- to analyze lexical, syntactic and lexico-grammatical characteristics of this type of business communication;
- to analyze the pragmatic aspects of the texts of business agreements from the point of view of Contracting Parties.

Theoretical value and practical applicability: is in the application of the obtained data to the development of the theory of communication in the sphere of business agreements. The practical applicability of the proficiency paper is in improving the training of translators in the field of business communication.

Results: The results of the study are interesting and compelling. The
conclusions are well-designed, robust and solid.
